

# The Great British Blast Off!

We're launching our 3rd mission in collaboration with Bloodhound Education, and are inviting businesses to get on board! So far we have engaged:

**75**

Businesses

**35,000**

Children

**500**

Schools

**124,300**

engineering  
parts

GBBO will get schools and their students doing chemistry and engineering with the Bloodhound Challenge STEM Day in a Box. It's easy as:

**1** Choose which Hero you will be

**2** Choose the school you want to support or we can choose for you

**3** Sit back and enjoy your positive social impact

## Which hero will you be?

### Local Hero

**£300**

**Sponsor a STEM day for 30 kids in your local school PLUS**

- Your logo on each STEM Day in a Box kit and a letter of support inside
- 1 tagged share on social media (LinkedIn, Twitter, FB and Instagram) in June or July
- Inclusion in one Curiosity Box email campaign (sent to 10,000+ individuals)

### Imber Gregory

**£1500**

**Sponsor a STEM Day for 180 kids in one or more local school PLUS**

- Local hero plus: Inclusion of one branded item inside the box (supplied by you)
- 3 tagged shares on social media between June-July 2021
- Inclusion in two Curiosity Box email campaign (sent to 10,000+ individuals)

### Sharman Peake

**£5000**
